Jazzles is an entertaining ‘sing-to-learn’ resource that introduces **phonemic awareness** to the beginning reader and English Language learner.

What can you do to help your children develop their Early Reading skills?

Jazzles gives you 3 fun early learning reading resources on the one CD, to help children from 3 to 8 develop their reading skills.

Play the CD on your audio system and watch your children enjoy learning as they sing along to amusing, rhyming, alliterative alphabet letter songs. From your PC’s CD-ROM drive, print out the song lyrics and see your children smile as they ‘read’ along while singing the easily recalled songs to make the essential connection between oral and written language.

The printable song illustrations help provide picture talks and fun activity extensions to explain the words and the lyrics.
